An Artistically Made Perennial Garden with Lily Pool and Pergola.

Now Is The Right Time

To order your Spring flowering bulbs, such as Darwin Tulips, Hyacinths, Crocus, Daffodils, etc., in order to get the benefit of the early bargain prices, but remember to send your order in before August 15th.

Rock Garden Plants can be planted now, as well as Hardy Perennials and Iris. Order your peonies now for September delivery.

We have many new and rare plants, such as the Japanese Bloodleaved Cutleaved Weeping Maple, Japanese Bloodleaved Maple, Magnolia Soulangeana, New Moerheimi Blue Spruce, Japanese Yew and Juniper Burki and Meyeri for immediate planting.

REMEMBER—to water your plants in this dry weather, also the lawn, and do it always in the late afternoon or early morning. Spray your roses and shrubs if attacked by eating insects. Keep the ground loose in your perennial and rose beds to prevent the ground from drying out.

We offer the most complete service in artistic and

Better Landscape Gardening

at reasonable prices. And if you want a Rock Garden built, or pool or any other part of garden improvement done, call us or drop us a card, and we will come to your home, free of charge or obligation, giving the right suggestion, if located within 35 miles of Mansfield.

Write for general catalogue for all the stock we carry, as only a small number are listed in this Summer message.

Very truly yours,

Thomsen Nursery Company

GIANT FLOWERING DARWIN TULIPS

At Amazingly Low Prices

Our Mail Order Specials

Following New and Rare Plants Ready for Shipment:
NEW JAPANESE BLOODLEAVED, CUTLEAVED WEEPING MAPLE.—Very unusual, rare and beautiful low growing ornamental plant. The branches are drooping and foliage a deep blood red color, making it a fine specimen for lawn, and as young in rock gardens.

Prices, 5-10 inch plants, \$1.25 each, and \$10.00 for 10.

Larger plants, 10-18 inches, each \$2.00, and \$17.75 per 10.

NEW JAPANESE BLOODLEAVED MAPLE.—A very conspicuous, medium-sized tree or bush with beautiful blood-red foliage.

Prices, 8-12 inch plants, \$1.25 each, and \$10.00 for 10.

Larger plants, 12-18 inches, bushy, \$3.00 each.

NEW JAPANESE GOLDEN LEAVED MAPLE.—This is a very rare and unusual dwarf tree with golden yellow foliage. Our supply limited. *4-8 inch plants, each \$2.00.*

BLOODLEAVED BEECH.—One of our finest bloodleaved trees, with spreading branches and ultimately grows to a size of 30-50 feet. A most majestic lawn tree.

Small plants, 10-18 inches, \$1.25 each, and \$10.00 for 10.

NEW JAPANESE MAGNOLIA SOULANGEANA.—An extremely hardy and most beautiful shrub or tree, with whitish-pink flowers and purplish on the outside. This is a real aristocrat of the lawn.

Small plants, 6-10 inches, \$1.25 each, \$10.00 per 10, for immediate delivery.

For Fall delivery, 2-3 feet plants, \$2.50 each, and 3-4 feet plants, \$6.00 each.

NEW MOERHEIMI BLUE SPRUCE.—Wonderful improvement of the famous Kesters Blue Spruce with its more dazzling silver-blue needles and perfect growth.

Small grafted plants, 4-8 inches, grafted on 5-year-old roots ready for immediate planting. Each \$1.25; \$10.00 per 10, and \$85.00 per 100.

JUNIPER MEYERI—A new and most striking Juniper with plum, pointed and prickly leaves, shining in blue, white and reddish tones. Grows irregular spreading. Very unique. *5-10 inches, 75c each, and 2 for \$1.25.*

Remember to plant it so the union of grafts is below the surface of the soil.

All the above seven varieties thrive best in a rich good garden soil mixed with woodsoil or peat moss.

Add 25c for postage and packing.

JAPANESE YEW (*Taxus Brevifolia*),—A most beautiful low spreading yew with deep green glossy leaves. Adapted for rock gardens. *Small plants, 3-6 inches, 4 for \$1.25.*

NEW BUDDLEIA.—This splendid new shrub is the hardiest Butterfly Bush yet introduced, as it does not freeze down like other Butterfly Bushes in the winter. It is a most charming and distinctive sight with its long arching branches covered with lilac purple flowers from Midsummer until late fall. *Small plants from pots, 4-8 inches, for immediate shipment, 35c each, \$1.25 for 5.*

For Fall shipment, 1-2 feet, 65c each, 2-3 feet, \$1.00 each.

ADD 25 CENTS FOR POSTAGE AND PACKING.

Latest New Perennials For August-September Shipment

The following perennials are some of the outstanding new and very rare creations of Hardy Plants. As we have only a small number available we will recommend you to send your order in immediately.

BURBANK'S FIRST PRIZE DELPHINIUM—Any Delphinium enthusiast should try some of this strain, which will compete with the finest and comes in a wonderful range. *Field grown plants, 50c each, \$1.25 for 3.*

BURBANK'S EVERBLOOMING POPPY.—One of Burbank's finest achievements in hardy plants. He crossed the Perennial Oriental Poppy with the Annual Peony Flowering Poppy, and the result was a strain of single Perennial Everblooming Poppies with enormous flowers on long stems, varying in red and orange shades. Blooms during the whole season and unlike any other poppy.

Strong field grown plants, \$1.00 each; \$2.50 for 3.

POPPY OLYMPIA—A rare double variety of strong, vigorous, compact growth. It blooms more than any other variety, and flowers are about four inches across. The color is a bright flame scarlet overlaid with crimson.

Strong field grown plants, each 50c, and 3 for \$1.25.

NEW GYPSOPHYLLA BRISTOL FAIRY OR ERHLE.—

This new double introduction of Baby Breath is much superior to the old varieties in having pure white flowers and blooms constantly during the whole season.

Strong grafted field grown plants, 50c each; 3 for \$1.25.

DELPHINIUM ADVANCEMENT.—A new introduction just imported from the hybridizer in England, and is claimed to be the finest pink "Delphs" yet introduced. (The price in England is \$10.09 each.)

\$1.00 each and 3 for \$2.50.

DELPHINIUM TOWERING JEWEL—Double and light blue, with pink markings. Immense flowers up to 3-4 inches across. Two year old plants.

Price \$1.50 each; \$3.50 for three.

DELPHINIUM SUMMER CLOUD.—A very fine white flowering variety of rare beauty. *Strong field grown plants, \$1.00 each; \$2.50 per 3.*

TROLLEUS NEW HYBRIDS.—There is nothing in this country which can be compared with these wonderful flowers, both in size and range of colors from light yellow to reddish orange of enormous size. Blooms in this section in May and June, and if cut will flower again.

Price \$1.00 each, and \$2.50 per three.

NEW KOREAN CHRYSANTHEMUM—Large white daisy-like flowers, with golden center, turning to a claret pink. Iron-hardy and dependable to give you a profusion of flowers from October to December. *Big field grown clumps, 50c each, and \$1.25 for three. Smaller plants, 20c each, and 50c for three.*

SEDUM SPECTABILIS FOL. VARG.—A very ornamental yellow green variegated variety with pink flowers.

Field grown plants, 50c each, and \$1.25 for three.

COTULA SQUALIDA—A rare and unique rockery plant with brownish red fern-like foliage, especially adapted for stepping path, as it will make a several inches thick rug within a few years. Imported direct by us.

Strong plants, 50c each, and \$1.25 for three.

DELPHINIUM ZALIL—Yellow orchid like flowers of great beauty. Very rare. Sold out for this fall, but will take orders for delivery in the Spring, 1932, at *50c each and \$1.25 for three.*

DELPHINIUM NUDICAULIS—Brilliant scarlet with peach interior. Very unique. Sold out for this fall, but will take order for Spring, 1932, delivery at *50c each, and \$1.25 for three.*

Add 15c for postage and packing for less than 4 plants.

Add 25c for postage and packing for 4 plants or more.

Rock Garden Plants For Immediate Delivery

While we are growing over 25,000 hardy Rockery Plants of the hardiest and choicest varieties, all listed in our general catalogue, which is mailed to you free upon request, we have selected 10 varieties of the most dependable under all conditions and offer them at greatly reduced prices, only possible by growing them in very large quantities.

For strong field grown plants, 20c each, 3 for 50c; \$15.00 per 10.

Cerastium Tomentosum (Snow in Summer).—Trailing growing plant, with silvery white foliage, producing an abundance of snow white flowers. One foot.

Nepeta Mussini (Catmint Ground Ivy).—Very beautiful plants of dwarf compact habit, producing masses of the loveliest lavender blue flowers in June. Foliage a grayish green and resistant nearly the whole winter. Excellent for rockeries, ground covers and extremely fine for along the driveways planted one foot apart. One foot in height.

Phlox Sublata (Moss Pinks).—Low spreading stem and narrow moss-like leaves, pink flowers in great profusion in May. Fine for Decoration Day. 4 to 7 inches.

Sedum Stolonifera.—Very fine rockery plants with purplish pink flowers in August-September. 5 to 8 inches.

Sedum Spureum.—The most easily grown and finest of all sedum, with crimson flowers in August. Has almost evergreen leaves. Will grow in extremely dry places. 4 to 7 inches.

Sedum Spectabilis.—Immense heads of handsome, showy pink flowers in September. Foliage light green, very heavy. 15 inches.

Sempervivum (Hen and Chicken).—Very beautiful rosettes of heavy thick leaves and pink flowers. 4 inches.

Shives.—An old fashioned flower with purplish heads of flowers in June-July. The foliage can be used in the kitchen.

Thymus Citroides.—A creeping plant, making a most perfect carpet. Has pinkish yellow flowers in August. 3 inches.

Viola Jersey Gem.—Pure dark violet flowers all summer. Very fine.

Special Introduction Offer

Ten of above Rockery Plants, in 5 varieties, your selection, \$1.25. Add 15c for postage and packing for this collection.
